CCC Newsletter # 04-17

Well it's that time again! I hope you're ready to go to some shows. But before that, I have to give a big tip of the CCC hat to all of you shade tree mechanics who seem to be able to fix anything with your ingenuity and creativity. I saw such an individual and have included a picture of his work at the end of the newsletter.

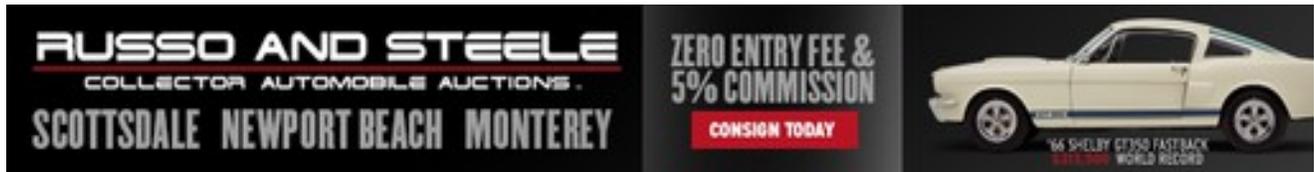

My wife and I were strolling the streets of Bozeman, MT when I saw this. I guess if you're going to a lawnmower party, might as well be prepared.

If you live in the San Diego/El Cajon area, and want space for your toys, this may be the place for you; room for 8-10 cars in locked garages, RV & boat storage, plus guest quarters, all on over one beautifully landscaped acre. Check this out: <http://tours.previewfirst.com/pw/62733#threed> For complete information contact the broker, Fred Gregory, at Fred@TeamGregory.com, or call 619-838-0517, I'm sure he'll be happy to arrange a personal tour.

Here's what this great "Car Buff" home looks like:

Be sure to call Fred for your sneak peek! But now, let's get on with the shows!
